

Planning Ahead

Before you start stressing out over that next assignment you need to write, start planning the framework for that long paper now! Here's how:

Main Topic of Paper Thesis (consists of 3 points)

Point #1

* support
* support
* support
* support

Transition

Point #2

* support
* support
* support
* support

Transition

Point #3

* support
* support
* support
* support

Conclusion How Do all 3 Points Connect? (Support/Restate your thesis)

Tutoring Tip

When writing a paper, it sometimes helps to write your three body paragraphs *before* trying to write your introduction or you conclusion. Once your body paragraphs are done, connect them together in an introduction and a conclusion.
