

This procedure will detail the steps to self-enroll your personal cell phone to receive weather, closing, safety, and other emergency text messages.

On your cell phone with text messaging as a feature, text “Wesley” to 79516.

A response will be returned to confirm the subscription, that says “To complete your signup, text YES”.

Reply with “YES”.

You will receive a text confirming your subscription. At any time, you can text “STOP” to 79516 to end the subscription.
