Meet our Admissions Counselors!

Our admissions team has grown as we welcome new students to the Wolverine family! Our Admissions Counselors are often out on high-school visits recruiting and handing out scholarships. Mike Boyd, Assistant Director of Admissions, recently retired from teaching at Lake Forest High School. Taneka Cook, MBA, joins us from Delaware Tech. Joy Gordy-Stith (Class of '16) and Fedelina (Fey) Paul (Class of '19) are Wesley Alumnae ready to share their Wesley spirit with the next Wolverines. Thank you for being the friendly faces of Wesley College in the community!

S.T.E.M. Internship Scholar

Biological Chemistry senior, Matthew Dina, shares a bit about his experience with his summer 2019 internship at Nemours. “I knew that the NSURP internship experience was the first step in the right direction since I want to care for and treat children as a practicing physician,” he writes. Mr. Dina attributes his success to persistence -- he applied to the internship multiple times. He will continue working with the same Nemours’ mentor to complete his senior thesis Capstone. Says Dina, “My time at Nemours changed my life for the better after years of persistently applying to the NSURP program.”

MURALS EVERYWHERE...

Have you explored Downtown Dover lately? Two new murals by Wesley art professor Joshua Nobiling are now visible! Prof Nobiling has been involved in a number of Dover’s mural artworks along with artists John Waters (below) and Angela Taylor (Backyard Birds). To view his most recent, head down to the Family Dollar on Loockerman Street (‘DOVER’ - west side of the building) then stroll down Minor St a block away to see the Birds!

Are you interested in helping with Dover’s next mural project? Visit Longwood Hall on January 22 at 5 pm to share your creative suggestions! For details, see the ‘Community Garden Mural’ ad below.
