1) Go to www.wesley.edu/library and type your search terms in the box.

2) Enter your username and password.

First enter your username:  
firstname.lastname (all lowercase)

Then enter your password:  
[firstinitial][lastinitial][ID number]
ex: jw12345678

Note: All passwords use lowercase letters.

For instructions on creating an administrative user account and
configuration options, visit:
3) **DON’T PANIC!** Just click the 9th one down

This page is the default menu of databases. It is typically used for testing, but not for deployment. See [www.oclc.org/us/en/support/documentation/ezproxy/cfe/database.htm](http://www.oclc.org/us/en/support/documentation/ezproxy/cfe/database.htm) for more information.
