Dear Wesley College Family,

I hope you and your families had a safe, restful, and reflective Memorial Day Weekend. Additionally, I hope that the members of the Class of 2020 who chose to participate, and their families, enjoyed our Virtual Commencement Celebration that went live this past Saturday. A special thanks goes out to our dedicated faculty and staff who worked tirelessly on the event, one that by most accounts was a tremendous success. The Virtual Commencement Celebration, as well as faculty and staff congratulatory messages, can be viewed at the following page on our website: https://wesley.edu/commencement-2020.

Students will be provided an opportunity next week, the week of June 1st, to return to campus and move out of their Residence Hall rooms. The Office of Residence Life provided specific details last Thursday, May 21st, regarding the move-out process, the dates/times assigned, as well as requirements that must be followed by those returning to campus to move out of their rooms.

We appreciate everyone’s patience over the past few months, and look forward to seeing you back on campus during your designated date/time for move-out. We will be there to assist and ensure that all mandates and protocols delineated in the Office of Residence Life Move-out Instructions are followed for your safety, as well as the safety of your fellow students and members of our campus community.

As previously reported we were very fortunate to have been appropriated funds from the Higher Education Emergency Relief Fund, which is part of the Coronavirus Aid, Relief, and Economic Security (CARES) Act, to assist our students, during these unprecedented and challenging times. Checks are being processed and will be sent out shortly to students who applied and were approved for these funds. Additionally, we will be sending out prorated refund checks to students who had to move out of the Residence Halls resultant from measures implemented because of the Coronavirus (COVID-19) Pandemic.

All mandates issued in previous updates remain in effect unless modified in a subsequent update. Please continue to regularly check your Wesley email as well as the College’s website for the most up to date information and guidance on our Coronavirus (COVID-19) page on our website – https://wesley.edu/coronavirus-covid-19-information.

To better align with our adjusted Coronavirus Action Group (CAG) report outs, updates will be published on Thursdays moving forward.

Stay informed, stay healthy, stay positive, and stay safe while helping others that are less fortunate and making a positive impact in the community you live in and serve.
For the thought of the day I will share a quote from Nelson Mandela, that is worth reflecting on – “It always seems impossible until it’s done.”

All The Best & Go Wolverines!
