Good Evening,

Our first phase of repopulating campus includes the return of staff and faculty. In preparation, and under the guidance of the CAG, Campus Leadership, the State of Delaware and the CDC we have developed guidelines and best practices for protecting everyone and mitigating the spread of COVID-19.

Please review the attached PowerPoint presentation with details about our plans for protecting our community.

Should you have any questions please contact your Director, Manager or Department Chair and/or Human Resources, 302-736-2306.

Kind Regards,

Dawn Howard-Bailey
Director of Human Resources
