Subject: CORONAVIRUS (COVID-19) – UPDATE #22

Dear Wesley College Family,

I hope this note finds you and your family safe and well, and enjoying the summer weather before the start of our 2020/2021 Academic Year. Next week our College will come alive as our students return to campus for the start of the Fall Semester. As you know, we have instituted protocols and policies to ensure, as best as possible, the safest and educationally conducive campus environment for our collective Campus Community. Everyone’s efforts to date in establishing a culture of compliance on campus has been a critical factor in contributing to the fact that there have been no cases of COVID-19 on the Wesley College campus since the outbreak of this pandemic.

As mentioned in our last update, we signed an agreement with Testing for America, a non-profit organization currently supporting Delaware State University, that will help facilitate a COVID-19 testing program for our faculty, staff, and students which we hope to have up and running in the next few weeks.

Everyone is reminded to regularly check your Wesley email as well as our Protect Wesley webpage for the most up to date information and guidance - https://protect.wesley.edu/. Additionally, there is a “FAQ’s” sight imbedded under the Protect Wesley Pledge section of our Protect Wesley webpage (https://protect.wesley.edu/faqs/), as well as other areas, that provides several commonly asked questions/answers.

All students returning next week to campus, and those assisting them move in, will be required to complete a self-screening check utilizing our COVID Pass on MyWesley before coming to campus. Once on campus you will be required to follow our posted signs and in-place protocols as together we all do our part to prevent the spread of COVID-19 (wearing a face covering, social distancing of at least six feet apart, wash hands regularly, avoiding large crowds, and touching your face) – a detailed explanation of the protocols can be found in our Protect Wesley Pledge (https://protect.wesley.edu/protect-wesley-pledge/ ) on our Protect Wesley webpage.

Student Check-In/Move-In information can be found on our Protect Wesley webpage (https://protect.wesley.edu/ ) and is summarized below:
New Student Check-In

- Tuesday, August 18th, A – L (Last Names)
- Wednesday, August 19th, M – Z (Last Names)

Returning Student Check-In

- Thursday, August 20th, A – H (Last Names)
- Friday, August 21st, I – P (Last Names)
- Saturday, August 22nd, Q – Z (Last Names)

Check-in Process for all students:

- Please limit the items you bring to campus in case the College must unexpectedly close for health and safety reasons related to the pandemic. We recommend bringing only the essentials.
- To ensure a smooth check-in for everyone, please fill out your Emergency Contact Information form ahead of time, which can be found online on MyWesley.edu under the Campus Life Tab – Student Forms.
- Wesley Staff will check to see if you are “All Cleared”
  - “All Cleared” consists of:
    - Is your Financial Aid in good standing?
    - Are you registered for classes?
    - Is your Bill in good standing?
    - Have your health records been uploaded to www.castlebranch.com
    - Did you complete your Title IX online module? If not, login https://lms.traliant.com
- Commuter Students will need to check-in on the dates indicated above to obtain a commuter sticker in the Student Affairs Office.
- Once “cleared” residence students will then proceed to the “move-in” phase as outlined below:
  - To ensure that all students can move into their residential space in a timely manner while maintaining social distance, we ask that you limit the number of people that you bring with you. Please review the important instructions below as you plan your move.
    - Please make every attempt to have your Financial Aid and your bill in good standing. You will not be able to gain access to your residence hall assignment unless you are “All Cleared”.
    - To ensure you are in good standing with your Financial Aid and your bill, please call the Residence Life & Housing Office with any questions: 302-736-2458.
    - Two guests per student — for appropriate social distancing, each student may bring two guests into the residence hall to assist with move-in.

Stay informed, stay healthy, stay positive, and stay safe while helping others that are less fortunate and making a positive impact in the community you live in and serve.
For the thought of the day I will share a quote from Michael Jordan, that is worth reflecting on – "Obstacles don't have to stop you. If you run into a wall, don't turn around and give up. Figure out how to climb it, go through it, or work around it."

Next Update: Update #23, August 27th.

All The Best & Go Wolverines!

Robert E. Clark II
President of the College
