Subject: CORONAVIRUS (COVID-19) – UPDATE #31

Dear Wesley College Family,

I hope that everyone had an enjoyable Thanksgiving, and this note finds you safe and well. We have shifted to virtual learning, and our residential students have returned home to finish out the Fall semester as was the plan when we started classes back in August.

Having completed in person class instruction for the Fall semester, our numbers remain low with ~0.2% infection rate which is down from where we started the semester, as illustrated in the graphic below. We will suspend updating our online COVID-19 Dashboard and providing this graphical representation of on campus data in our bi-weekly COVID-19 updates until January after the Holiday break when we return for the Spring semester.

Note: The College was closed the week of 11/23 for the combined Fall/Thanksgiving Holiday break so no data was posted which is why the use of dashed lines to connect the data from the week of 11/16 and 11/30.
Additionally, remember that for those of us remaining on campus testing is not optional, it is required, and administrative actions will be taken in response to those that fail to comply.

Campus remains closed to the public unless it is a specific and College authorized event or visit. Additionally, students who have moved out of their residence halls are not permitted back into their rooms until the Spring semester starts. As we get closer to January a detailed move back & check-in plan will be published, similar to what we did this summer.

Everyone is reminded to regularly check your Wesley email as well as our Protect Wesley webpage for the most up to date information and guidance - https://protect.wesley.edu/. Additionally, there is a “FAQ's” sight imbedded under the Protect Wesley Pledge section of our Protect Wesley webpage (https://protect.wesley.edu/faqs/), as well as other areas, that provides several commonly asked questions/answers.

Stay informed, stay healthy, stay positive, and stay safe while helping others that are less fortunate, as well as making a positive impact in the community you live in and serve.

For the thought of the day I will share a quote from President John F. Kennedy, that is worth reflecting on – “Change is the law of life. Those who look only to the past or the present are certain to miss the future.”

Next Update: Update #32, December 17th

All The Best & Go Wolverines!

Robert E. Clark II
President of the College
