Subject: CORONAVIRUS (COVID-19) – UPDATE #32

Dear Wesley College Family,

We are entering an extremely critical phase nationally in our collective efforts to defeat the Coronavirus (COVID-19). It will require each and everyone of us to sacrifice some of the “Holiday Norms”, like large family or multi-household gatherings, that we have been used to in the past. If you continue to exercise and embrace the policies and protocols established here at Wesley while you are home, you will make a difference in your community, you will help stem the spread of the virus, and you will help save lives.

**The Campus remains closed to the public unless it is a specific and College authorized event or visit. Additionally, students who have moved out of their residence halls are not permitted back into their rooms until the Spring semester starts. A move back to campus & check-in plans will be published the week of January 4th, similar to what we did this summer.**

*Everyone is reminded to regularly check your Wesley email as well as our Protect Wesley webpage for the most up to date information and guidance - https://protect.wesley.edu/.*

I hope that the joy of the Holiday Season fills your hearts and homes with love and laughter while the dawn of the New Year shines the light of hope and prosperity on you and your family.

For the thought of the day I will share a quote from President Dwight D. Eisenhower, that is worth reflecting on – “Pessimism never won any battles, whether in peace or in war.”

Next Update: Update #33, January 7th

All The Best, Happy Holidays, & Go Wolverines!

Robert E. Clark II
President of the College
